IUP

International Undergraduate Program

General Information

Universitas Padjadjaran offers an International Undergraduate Program (IUP) designed to provide Indonesian and international students with an opportunity to pursue undergraduate degrees in selected programs through uniquely designed learning methods that adhere to international standards.

There are two type of the IUP: **Global Excellence Academy** and **Frontier Advancement Program**. Both programs offer globally oriented learning, but with distinct international opportunities. Global Excellence features the chance for a double degree program with partner universities, allowing students to earn two degrees upon graduation, while Frontier Advancement offers a semester or a year-long exchange at overseas partner universities with grade conversions to support academic continuity.

Both use English as the medium of instruction—fully in English for Global Excellence and bilingually for Frontier—and include international guest lectures, access to global certifications (AWS, LinkedIn Learning, Google), and practical learning approaches.

Universitas Padjadjaran Student Exchange Program

The Student Exchange Program at Universitas Padjadjaran (Unpad) offers international students an exciting opportunity to study for a semester or a year at one of Indonesia's leading universities. Located in Jatinangor, West Java, Unpad's main campus is nestled in a serene, green environment that provides an ideal setting for academic and personal growth. The campus is conveniently situated near the vibrant city of Bandung, known for its creative culture and culinary delights.

At Unpad, international students can pursue academic excellence while immersing themselves in Indonesia's rich culture and natural beauty. West Java offers a unique blend of traditional and modern lifestyles, allowing students to experience everything from local arts and crafts to exciting city life.

By joining student organizations, cultural events, and community activities, exchange students create unforgettable memories while forging meaningful connections with peers from around the globe.

This program is dedicated to students nominated by an overseas partner university under a bilateral exchange agreement with Unpad. Candidates for the exchange program can apply through the International Office of their home university. Tuition fees are paid to the home university (waived to Unpad); *in most cases, the application fee is also waived*.*

**Note: The tuition waiver policy of Unpad Student Exchange programs is based on the agreement between Unpad and the partner institution or university, which includes specific notes on the tuition waiver.*

Tailored Short-Course Program

In addition to the above-mentioned programs, we offer a short course program designed and tailored to your institution's needs. For years, we have hosted diverse, tailored short-course programs, including an Overseas Immersion Program with Ngee Ann Polytechnic, Singapore, a three-week immersion program with University Malaysia Terengganu, a one-week immersion program with Universiti Malaya, Malaysia, and many more.

If your institution is interested to have a tailored short-course program (e.g. immersion, internship) in Unpad, please send your inquiries to: international@unpad.ac.id or global.exchange@unpad.ac.id.

Unpad Visiting Program

The Visiting Program at Universitas Padjadjaran (Unpad) provides international students and researchers an excellent opportunity to engage with our academic community.

Visiting Student Program

This program allows students worldwide to study for a short term at Unpad. The program aims to facilitate diverse short-term visiting programs outside the regular Unpad Student Exchange Program, including international students whose home institutions do not have an exchange agreement with Unpad, as well as an international internship program.

Visiting Researcher Program

This program allows international scholars and researchers to collaborate with Unpad faculty on ongoing research projects or develop their research in partnership with Unpad's academics. It promotes the exchange of knowledge, innovation, and best practices across academic disciplines. For example, some faculties have international research collaborations with universities in Malaysia (UTM Johor, UMS Sabar, UKM Kelantan), Japanese universities, and others.

Scholarships for International Student Program

Unpad offers a variety of programs tailored for international students

Darmasiswa Scholarship

DARMASISWA is a one year non-degree scholarship program offered to all non-Indonesia citizens from countries which Indonesia has diplomatic relations to study Indonesian language (Bahasa Indonesia), arts, music, crafts and other specific subjects at 68 Indonesian higher education institutions (for 2024/2025 academic year). This program was established in 1974 as part of ASEAN initiative, admitting only students from ASEAN. However, in 1976 DARMASISWA was extended further to other countries. DARMASISWA is organized by the Ministry of Education, Culture, Research, and Technology in collaboration with the Ministry of Foreign Affairs of the Republic of Indonesia.

The main objective of the DARMASISWA program is to increase and cultivate interest in Indonesian language and Indonesian culture among citizens from other countries. It also designed to increase mutual understanding and provide stronger cultural bonds between different nations.
